About VNRVJiet

VNRVJiet

VALLURUPALLI NAGESWARA RAO
VIGNANA JYOTHI INSTITUTE OF
ENGINEERING & TECHNOLOGY
AUTONOMOUS INSTITUTION

Vallurupalli Nageswara Rao Vignana Jyothi Institute of Engineering and Technology (VNR VJiet), founded in 1995, has grown into one of India's premier institutions, known for its commitment to academic excellence, innovation, and holistic student development. Recognized by UGC as a "College with Potential for Excellence" and accredited with an A++ grade by NAAC, VNR VJiet boasts one of South India's highest CGPAs of an outstanding 3.68 out of 4.

Our campus is home to a vibrant and diverse community of learners, creators, and leaders. With a strong focus on research and entrepreneurship through VJ Hub, and numerous accolades including a "Diamond" rating by QS I.GAUGE, the institute blends technical expertise with cultural richness.

Beyond engineering, VNR VJiet actively fosters arts, literature, and creativity through a spectrum of dynamic student-run clubs and events throughout the year. At the heart of this cultural ecosystem is the Student Activity Center (SAC) where creativity, collaboration and leadership converge. It is this unique blend of intellect and imagination that defines our legacy, where tradition meets innovation, and students shape the future, both in classrooms and on stage.

Stentorian.

Founded in 2013, Stentorian is the English Literary Club of VNRVJiet, dedicated to creativity, conversation, and storytelling. Beyond literature, it hosts writing contests, public speaking events, anime discussions, game nights, and monthly activities. It also publishes Strident, a student-led magazine of poetry, fiction, essays, and art.

Stentorian heads VJMUN, the college's Model United Nations society, and sends delegations to national conferences. From campus debates and open mics like Spotlight on the Spectrum to representing VNRVJiet at fests like Saarang and BITS Hyderabad, the club fosters self-expression and believes in the power of stories.

Literovia

Stentorian presents the first edition of its flagship literary fest Literovia, inviting students to explore storytelling, poetry, and performance. In a world of deadlines and distractions, Literovia offers a space where imagination and intellect meet. With over fifteen events, from poetic showdowns to spontaneous performances, the fest celebrates the written word and the spirit of live expression.

After years of hosting successful literary events under our college's cultural fest, we now channel that passion into this exclusive celebration. Staying true to Stentorian's belief in inclusive storytelling and creative freedom, Literovia amplifies voices often unheard. It marks a new beginning and carries the promise of a lasting legacy - a true literary odyssey.

Sponsorship Packages & Benefits

Sponsorship Benefits	Silver ₹ 15,000	Gold ₹ 25,000	Platinum ₹ 40,000
